

Technique: Loop

Pattern: One 5-bead loop

1. On a 10-inch (25.4 cm) length of wire, string 5 beads.
2. Position the beads on the middle of the wire. Cross the wires beneath the beads and twist twice to form a loop. (*Photo 1*)

Technique: Continuous Loops (CL)

Pattern: Five 10-bead Continuous Loops

1. Leave a 5-inch (12.7 cm) tail and make five 10-bead loops. (*Photo 2*)
2. Cut 5-inches (12.7 cm) of wire from the spool. Twist both wires together at the base.
